# MEMORANDUM

Date:	February 14, 2024
То:	CCCERA Board of Retirement
From:	Ryan Luis, Retirement Services Manager
Subject:	Consider and take possible action to adopt a cost-of-living increase for retirees as of April 1, 2024.

In accordance with the County Employees' Retirement Law (CERL), Government Code Sections 31870, 31870.1 and 31870.3, the Board must determine the annual cost-of-living adjustments (COLAs) to be effective April 1, 2024.

# **Determination of COLA**

Based on the statutes noted above, the increase or decrease of the retiree allowances "approximate to the nearest one-half of 1 percent, the percentage of annual increase or decrease in the cost of living as of January 1<sup>st</sup> of each year as shown by the then current Bureau of Labor Statistics Consumer Price Index for All Urban Consumers for the area in which the county seat is situated." CCCERA members have an annual maximum COLA adjustment of 2%, 3%, or 4%, depending on which CERL section is applicable to their membership.

The consumer price index values used by CCCERA are the December values from the San Francisco-Oakland-Hayward Area Bureau of Labor Statistics index. The increase in the index from December 2022 to December 2023 is 2.62%. Per the CERL statutes, the resulting percentage change of 2.62% should be rounded to the nearest one-half percent, which is 2.5%.

When the adopted COLA is greater than the annual maximum COLA adjustment, the amount above the annual maximum is accumulated or "banked". When the adopted COLA is less than the annual maximum COLA adjustment, retirees with amounts in their bank will receive an additional percentage, up to the annual maximum, and have their banks reduced accordingly.

The attached Segal letter shows the determination of the consumer price index and the annual adjustment retirees will receive depending on their Tier and any applicable bank.

# Recommendation

Consider and take possible action to adopt a cost-of-living increase for retirees as of April 1, 2024 in the amount of 2.50%.

# Re: Contra Costa County Employees' Retirement Association (CCCERA) Cost-of-Living Adjustments (COLA) as of April 1, 2024

Dear Christina:

We have determined the cost-of-living adjustments for the Association in accordance with Sections 31870.1, 31870.3 and 31870, as provided in the enclosed exhibits.

The cost-of-living factor to be used by the Association on April 1, 2024 is determined by comparing the December CPI for the San Francisco-Oakland-Hayward Area (with 1982-84 as the base period), as published by the Bureau of Labor Statistics (BLS), in each of the past two years. The ratio of the past two December indices, 339.915 in 2023 and 331.222 in 2022, is 1.0262. The County Law sections cited above indicate that the resulting percentage change of 2.62% should be rounded to the nearest one-half percent, which is 2.5%.

Please note the above cost-of-living adjustments calculated using established procedures for CCCERA may result in adjustments different from those calculated using alternative procedures by other systems.

The actual cost-of-living adjustment is dependent on tier and date of retirement. The CPI adjustment to be applied on April 1, 2024 is provided in Column (4) of the enclosed exhibits. The COLA bank on April 1, 2024 is provided in Column (5).

Please give us a call if you have any questions.

Sincerely,

Andy Yemp

# MEMORANDUM

Date:	February 14, 2024
То:	CCCERA Board of Retirement
From:	Christina Dunn, Acting Chief Executive Officer
Subject:	Consider and take possible action to issue a Request for Proposal for Actuarial Auditing Services.

### Background

Actuarial audits are valuable tools for monitoring the quality of the actuarial methodology and reports provided by a pension's actuarial firm. The CCCERA Board of Retirement Policy on Professional Consultant Evaluations provides for an actuarial audit to be completed every five years, or as otherwise requested by the Board.

The last actuarial audit was completed in 2019, therefore it is timely for CCCERA to issue an RFP for actuarial auditing services.

### Recommendation

Consider and take possible action to issue a Request for Proposal for Actuarial Auditing Services.
